Introducing **Think Green Rewards**, a terrific reason for Shelby County residents to recycle. Once you're a recycling customer with Waste Management, you are automatically eligible to sign up for our recycling rewards program and earn points to redeem for valuable discounts at leading retailers – places like Johnny Rockets, Little Caesars Pizza, and Anthony's Car Care. You earn points by recycling as many recyclable materials as you can. The more you and your neighbors recycle, the more points you earn. It's easy, fun, and a great way to help the environment.
