

# **TREE LIGHTING EVENT**

---

Dear Neighbors,

Please help us Celebrate the Christmas Holiday Season at the **"Tree Lighting" event** at the **Dock** (at Common Pier) on **Sunday, December 2nd, at 6pm !!!**

Refreshments and Hot Beverages will be served, and this should be a time of Great Fun and Joy for kids from 2 to 92, as the popular song goes (and for others too!!), as we gather together in Friendship, Community, and Celebration of the Season.

This notice has also been posted to our [Website Homepage](#) and [Events Calendar](#). Please check the Events Calendar closer to the event to assure there are no changes in plans (e.g., bad weather forecast, etc), but hopefully all will go smoothly and it will be a joyous, enjoyable occasion.

**HAPPY HOLIDAYS !!!**
